NOTHING FROM MADISON.—We are without our usual telegraph dispatch from Madison, this afternoon. The Supreme Court was to meet this morning. The Legislature not till this P. M.

COUNTY MASS MEETING.

As will be seen by the call which we publish, a County Mass Meeting is to be held at Young's Hall to-morrow, [Tuesday] afternoon, at 1½ o'clock. The object of the meeting is to form a County Kansas Society, auxiliary to the State Scisty. We hope to see a general turn-out of the citizens of this county, and an efficient organization completed. Milwaukee County should not be behind her neighbors, in endeavoring to further the cause of Freedom in Kansas.

Measures will also be taken to fit out an Emigrant Train, which is to start about the 1st of May. There are hundreds of willing hearts who are ready to go to Kansas, if they can be aided in obtaining outfit. It is the duty then, of those who are able and willing, to do all in their power, to enable such to depart as soon as possible. The State Emigrant Society, we think, will be the means of sending to Kansas, hundreds of young men, firm and true, who design to become peaceful and actual settlers, but who are resolved that, come what may, Kansas shall be free.

Douglas, Pierce and their "Border Ruffian" associates are endeavoring by every means, fair or foul, to extend slavery over the free soil of Kansas. Their infamous designs must be thwarted, and the only effectual manner in which to do it, is by peopling Kansas with the Free men of the North. Let, then, every one respond to the call, and attend the meeting to-morrow afternoon.

Kansas Free State Legislature Imprisoned.

Mr. Greeley telegraphed from Washington, on Saturday last, that he has information from reliable sources, that the Administration has ordered the arrest of all the members of the Free State Government of Kansas, and that President Pierce believes they are all in prison before this. Another act in the drama. If this be true, the doom of Pierce's Administration is sealed. "Drive on, Hangman!" Your time is short, so make the most of it. The outraged feelings of the friends of Freedom will not submit to such infamous acts much longer. Already are the thunderings of outraged justice and humanity heard in the distance, and when they break forth in all their power, Wo! unto Pierce and his minions. Their acts have damned them eternally, past all redemption, and they will be sunk into an abyss of disgrace, deep, dark and terrible, from which they shall never come forth.

A Foregone Conclusion.

Mr. Barstow, in his manifold communications to various bodies, since the commencement of this gubernatorial contest, has had much to say about the judgment of the Court being a *foregone conclusion* on its part.

Inasmuch as the Court has not intimated, either directly or indirectly, what its judgment would be, and nothing has occurred to throw any satisfactory light on the subject, the query very naturally suggests itself, what leads Mr. Barstow to anticipate its decision, and call it a foregone conclusion. It strikes us there is a pregnant fact here—a rich kernel in this nut. It is Mr. Barstow's consciousness arising from his own complete knowledge of the merits of the case.

He knew the facts, and therefore knows what the judgment *must be* from an investigation of the facts, and what he takes to be a foregone conclusion on the part of the Court, is simply an inevitable foregone conclusion of his own. Scrutinizing closely Mr. Barstow's mental inference in this matter, and no higher testimony to the integrity of the Court can be found.

NEW HAMPSHIRE.—Returns from all but nine towns give for Governor: Metcalf, (American Republican,) 31,933; Wells, (Democrat,) 31,655; Goodwin, (Whig.) 2,497: Scattering, 141. The towns yet to come in gave last year for Metcalf, 157; Baker, [Democrat] 348.—The House stands 167 AmericanRepublicans to 136 Pierce men; the Senate as heretofore reported, 8 American Republicans to 4 Administration.

KANSAS DAILY TRIBUNE.—We have received the first two numbers of a neat little daily with the above title, published by Messrs. SPEER & ROSS, at Topeka, K. T. The latter gentleman was formerly Foreman in the *Free Democrat* office. The paper is a spicy, wide-awake little sheet, and, of course, devoted to the Free State interests of Kansas.

THE "VETO GOVERNOR" OF ALABAMA.—The number of bills which Governor Winston, of Alabama, has regarded it his duty to veto, has obtained for him the name of the "Veto Governor." He has recently vetoed two bills that purport to incorporate villages, but which contain "not a sentence to be found going to incorporate either of them." The only point in the acts is the regulation of the sale of liquor.

DEPUTY MARSHAL.—E. Hicks, Esq., has been appointed U. S. Deputy Marshal, at Green Bay.

Affairs at the Capital.

Once upon a time—no Æsop tells us—a certain fox, whilst plundering a hen roost, was so unfortunate as to have his tail severed from his body, by a trap. Seeing the way in which he was disfigured, and being ashamed to appear among his associates in such a guise, he called a convention of foxes, and expatiated, long and eloquently, upon the uselessness and absurdity of "tails," and besought his hearers to lose no time in having them taken off. But the Reynards were a little too sharp, and laughed at their unfortunate adviser.

Barstow, having been marked and branded, is now seeking to induce others to become objects of public scorn and contempt. Therefore has he prevailed upon Mr. McArthur to take the Executive Chair, and he is now—together with a few other fanatics—trying to persuade him to maintain the position, though the Supreme Court decide in favor of Bashford.—In other words, Mr. Barstow has lost "his tail," and is trying to prevail upon others to disfigure themselves likewise.

I have had the pleasure of knowing Mr. McArthur for some time, and though we belong to opposite parties, I have been willing to accord him honesty of motive, and to believe him sincere in his professions. I have thought, too, that his impulses were right, and that he would not do a dishonorable act, nor sacrifice a principle for party. I hope I may not have been mistaken in my opinion of Mr. McArthur, although present appearances would seem to indicate that it was not altogether improbable. I refer to the fact that he has sent a message to the Legislature, proclaiming his intention of keeping the office, which he says Mr. Barstow has resigned, during the residue of the term for which he (Barstow) claims to have been elected.

Now, Mr. McArthur must be aware, if the Supreme Court decide that Bashford was elected Governor, that he cannot legally hold the office, as Barstow could not resign an office to which he was not elected, and he must also be aware that if he attempts to defy the Court, he will be even more of an intruder and usurper, if such a thing is possible, than Barstow, for Barstow had a certificate and McArthur has nothing. And I may say further, that if McArthur attempts to set himself up in open and bold defiance to the highest tribunal in the land, he will bring upon himself an odium and disgrace from which he will strive, in vain, to recover.

I hope, then, to see Mr. McArthur pursue an honorable course, and bow, gracefully, to the dictates of the Court, seeking, in no possible way, to thwart the ends of justice, nor attempting to defraud a man out of his just and legal rights. It is the only plan that he can adopt by which he will be enabled to retain the respect of the public, and if he tries any other he will find himself obliged, ultimately, to yield the office and to retire in shame and disgrace.

Poor Barstow—a melancholy object, truly.—He is deserving of our pity. But let us not follow him into his retirement, and only pray that it may be perpetual. After his resignation had been received and read in the Assembly, Judge Potter said, addressing the Speaker:

This is the second time during this session, that Gov. Barstow has taken occasion to insult this House, by abusing the power which he possesses to communicate with the Legislature, in attacking the Supreme Court; and now in this message, the Senate, a coördinate branch of the Legislature. He does it, knowing they here have no opportunity of defense. Throwing aside all political feeling, there is not a member upon this floor who will not admit the bad taste, to say nothing of the gross impropriety, and insult, of language like that, contained in the message sent to this House nearly two weeks since and in that now, just read. Gov. Barstow has no right to send a communication to this House containing charges of high crimes and misdemeanors against the Supreme Court—nor has he the right to anticipate what the action of the Senate would be under certain circumstances—accusing, as he does, that body of entertaining a desire and disposition to do him injustice, because a majority there is politically opposed to him. It is undignified, uncalled for, contemptible and cowardly. The members of this House owe it to themselves to rebuke and resent such an insult. A feeling of self-respect—a proper degree of pride which every citizen should feel in the good name of our State—should prompt us to repel a gross attack like this upon the integrity of the highest judicial tribunal of the State, and upon the other branch of the Legislature—I move, Mr. Speaker, that the message be referred to the same select committee to whom was referred the message of Gov. Barstow which was sent to this House a week ago last Saturday. It is similar to that message, and the reference is appropriate.

The Judge's remarks were listened to with attention, and "cut deep." Although severe, they were nothing more than just and proper.

In the Senate, Mr. Barstow's communication was very quietly laid upon the table, where its peace will never be disturbed.

The decision of the Supreme Court is expected on Monday, and at noon I shall be at Madison. C. V.

MILITARY ENCAMPMENT.—The Chicago Light Guard are making arrangements for a Grand Military Encampment, in that city. The first week in July next is spoken of as the time when it is to be held, and invitations have been, or will be, sent to all the military companies in Illinois, and to one or more companies in each of the prominent cities of the Union.—This wil no doubt be one of the most superb military displays ever made in the Union.

ANGEL GABRIEL AT WORK.—Intelligence from the West Indies reports that the negroes of Jamaica, instigated by Orr, known as the Angel Gabriel, had commenced to slaughter all the Coolies. Gov. Woodehouse had sent Orr to jail, but the military under his command are unable to cope with the maddened negroes, and His Excellency had dispatched couriers to the Windward Islands for troops to aid in quelling the insurrection.

THE LATE FRACAS AT YALE COLLEGE.—Mr. Fisk P. Brewer, Tutor in Greek at Yale College, who was severly assaulted on the night of the 3d inst., by disorderly Sophmores, has nearly recovered from the effects of his wounds, and will be able shortly to resume his duties in the College. The civil authorities of New-Haven have taken notice of this breach of the peace, and have arrested Martin Van Buren Lee, from Louisiana, a member of the Sophmore Class, and one Farrar, a sub-freshman, as ringleaders, and bound them over for trial.

Message from Lieut. Gov. McArthur.

MADISON, March 22, 1856.

The following message was sent into the legislature this morning by Lieut. Gov. McArthur:

EXECUTIVE DEPARTMENT,
Madison, March 22, '56.

To the Legislature:

The Hon. William A. Barstow having communicated to both branches of the Legislature his resignation of the office of Governor, the powers and duties of that office have devolved upon me, under the Constitution. The 7th section of the 5th article of that instrument provides as follows: "In case of the impeachment of the Governor, or his removal from office, by death, inability from mental or physical disease, resignation or absence from the State, the powers of the office shall devolve upon the Lieutenant Governor, for the residue of the term, or until the Governor absent or impeached shall have returned, or the disability shall cease."

By virtue of this Constitutional provision in connection with the resignation of the late incumbent, the duties of the Executive department devolve upon me as Lieut. Governor of the State. Having assumed the discharge of these important functions, it will be my earnest endeavor strictly to conform with the requirements and obligations of this position, and I shall be ready to co operate with the Legislature in all enactments sanctioned by the Constitution and demanded by the public interest.

ARTHUR McARTHUR.

☞Among the foreign celebrities who are expected to attend the next annual meeting of the Scientific Association, are Liebeg, Airy, Le Verrier, Argelander, Struve, and others.—The proprietors of the ocean steamships have tendered to those eminent and learned men, whose names are familiar the world over, free passage to this country.

Jas. S. Wadsworth, of Genesco, N. Y. has tendered $500 to defray the expenses of Liebeg, the Agricultural Chemist.

SNOW AND SUGAR.—The farmers seem to think that they are likely to have a great deal more snow than sugar in their woods this spring. The depth of snow which is now in the woods some three feet on the level, prevents the possibility of getting around to tap the trees and gather the sap for boiling even if it will run and that seems to be a question of doubt, as there is but little if any frost left in the ground in the woodlands. Maple sugar will be among the luxuries, unless our information is at fault.—*Buffalo Express.*

ANSON G. CHESTER, Esq., who recently withdrew from the *Buffalo Express*, has become connected with the Editorial conduct of the Buffalo *Courier*. A fortunate thing for the *Courier*, and we hope for Mr. Chester also.

—The ladies won't tell their ages, and lawyers need not attempt to get it out of them. In the Griswold divorce case, in Philadelphia, the depositions of Mrs Anne S. Stephens and Mrs. Elizabeth F. Ellet were read last week, one says she is 'over twenty-one,' the other says, I 'don't know my age, of my own knowledge,' which is equivalent to saying that she can't remember when she was born.

A COMPROMISE.—The long pending suit, under which about $250,000 were claimed by Mr. Samuel G. Ogden of Mr. William B. Astor, on an unsettled account of partnership transactions between the plaintiff and the late John J. Astor, has been terminated by the payment of $125,000 to Mr. Ogden.

SECOND CHILDHOOD.—An old lady in Morristown, N. J., nearly 90 years old, has had a growth of fine black hair on her head for a year past. She is also cutting new teeth, and her sight has come to for the second time.

THE jail at Edgartown N. Y. is a model, having four rooms in all, each nine feet square.—One end of it is used for a jail, and the other for a house of correction, but both institutions are at present vacant.

On Wednesday morning the locomotive "Young America," drawing two cars, made the run between Syracuse and Rochester, eighty one miles, in one hundred minutes, being the fastest runing ever made on the Road.—*Buffalo Express 20th inst.*

FEMALE SEMINARY.—The Watertown *Democrat* says: Subscriptions are now in circulation for the purpose of raising $3,000 in addition to $1,100 offered to be given by a benevolent individual in the City of New York, if the former sum can be obtained among ourselves, for the establishment of a Female Seminary.

There are 70,000 gipsies in Wallachia, and their present proprietors will receive an indemnification for them from the State.

STRANGE MAIL ROUTE.—The mail for California from Utah, in January last, was carried over the Sierra Nevada mountains, by a Norwegian, who footed it on snow-shoes seven-feet long, and four inches wide, in the form of skates, and shoved himself along with a pole.

MLLE. RACHEL.—The great tragedienne arrived at Havre on the 25th ult., by the Fulton One of the Havre journals says that she seems to be completely recovered from the illness, which compelled her to give up her American engagements.

THE BOWL.

BY LIEUT. G. W. PATTEN, U. S. ARMY.

Oh! shun the bowl!—the draught beware
Whose smile but mocks the lips of men;
When foaming high with waters rare—
Oh! never touch the goblet then.
With friends we love, though sweet to sip
The nectared juice at close of day,
Yet trust ye not the syren lip
That wins to cheat and lures to slay.

Oh! shun the bowl!—and thou shalt know
A deeper spell than swims in wine:
Though bright its hours of sunsent glow,
Their crimson clouds as briefly shine.
A few short days in madness past,
And thou wilt sink unknown to years,
Without a hope beyond the blast,
Which mourns above thy grave of tears.

Oh! leave the bowl!—if thou art wise
To shun the path of guilty fame:
The burning road where anguish lies,
And perjured honor weeps for shame.
In after years some cheering ray
From virtue's smile will o'er thee spread,
And thou wilt bless the better way
Thy erring steps were loth to tread.

Oh! shun the bowl!—as thou wouldst leave
The poisoned spot where reptiles tread;
Lest wilowed hearts for thee should grieve—
For thee, untimely tears be shed,
Yea! thine may be the fearful lot
To prove, ere Time hath dimmed thy brow,
A sire—and yet the witness not
Of them who weep his broken vow.

Hast thou a bride whose every sight
Deep trembles with the joy it gives?
Hast thou a child whose deep, mild eye
Lives in thy light its father lives?
Then shun the bowl!—the draught beware
Whose smile but mocks the lips of men;
When foaming high with waters rare—
O never touch the goblet then!

WILD CATS BURNED.—The Chicago *Tribune* of Saturday morning says:

We learn that the retired circulation of the *Atlanta Bank* of Georgia, was burned a day or two since, and that the few notes outstanding will be destroyed as fast as they are sent home for redemption. The charter and banking house of the Atlanta Bank are for sale.

Peace to its ashes!

THEY ARE COMING.—The first party of emigrants from New England for Kansas, passed through our city last night. They are all young men—hardy and enterprising, and will be able to help settle and cultivate the Territory.

We learn that they are to be followed by a succession of companies every week. Great care has been taken to select only those who are able to take care of themselves—young men of worth, of firmness, and of intelligence. Kansas will receive a body of men from the Free States this year, who would do honor to any State.—*Chicago Tribune*, 22d.

—The Kentucky legislature has passed a law making the cities and towns of the State responsible to the owners of property destroyed by mobs.

POISONED.—A whole family were recently poisoned in Chicago. It is supposed that the poison was placed in a dish of buckwheat cakes which was partaken of at breakfast by the family and in about half an hour thereafter, all were taken severely ill. They have nearly recovered, however. The poisoner has been arrested.

SAILED.—The steamship *Hermann* sailed from New York, at noon on Saturday, for Southampton and Bremen, with 53 passengers, and $53,000 in specie.

FROM BRAZIL.—The ship *Shooting Star* arrived at New York on Saturday. She brings advices from Pernambuco to Wednesday the 24th ult. The cholera was prevailing to such an alarming extent there as to seriously interfere in all business. The deaths were chiefly among the blacks. There had been a few cases of yellow fever among the foreign shipping in the harbor, most of them proving fatal.

BUCHANAN.—A letter has been received at Washington from Mr. Buchanan, announcing his intention of leaving Harve on April, 9th, in the steamship *Avago*.

SINGULAR CONFLICT.—One of the beautiful swans on Gosfield Lake, Essex, (England,) belonging to Samuel Courtland, Esq., was seen floating dead. On being drawn to the shore, it was found that it had been engaged in mortal conflict with a monster pike. The pike had swallowed the head and neck of the swan, and being unable to disgorge it, both had died, and were found thus linked together.

—A greenhorn visiting Hartsford, went to see the old "Charter Oak," so famous in history. After looking at the tree for a few minutes he exclaimed, "What, do you call that Charter Oaks. Why, there's lots of 'em down where I came from!"

KANSAS.—The telegraph announced the capture of two cannons and a lot of rifles at Lexington, Mo., by the border ruffian party, which had been sent from New England to the Yankee emigrants in Lawrence. The capture turns out to be a useless one, for the arms had no locks, the sharp fellows in Boston, having taken the precaution to *send the locks by another route*, and they had previously reached Lawrence.

COMMERCIAL RECORD.

Office of the Free Democrat,
Milwaukee, March 24 1856.

The past week has developed nothing unusual in commercial or monetary affairs, if we may except the decline of breadstuffs, consequent upon the news brought by the Persia, of a similar decline in England. The spring business is just beginning to open, and we may reasonably expect to see it fairly started in a week or ten days. The weather, during the past week, has been delightful, and should we be favored with many more such days, the frost will soon be out of the ground.

There is yet considerable produce in the country which farmers have withheld, in hopes of realizing higher prices. But it is the prevailing opinion that prices have reached their highest point, and that, during the coming season, there is a stronger prospect of a decline than of an advance.

THE amount of produce in store at Chicago, is about as follows:—Wheat, 125,000 bus.; oats, 30,000 bus.; corn, 150,000 bus.; flour, 20,000 bbls. There is no wheat in store at the stations on the Railroads, nor on the Canal or Illinois River of any account.

There are some 1,200,000 bushels of corn in store on the Illinois Canal and River, but chiefly held by farmers for better prices.

The amount of wheat in store here, is nearly 250,000 bushels, or about double the amount at Chicago. At Racine and Kenosha there are between 30,000 or 40,000 bushels awaiting shipment. At Quincy, Ill., there 11,000 barrels of flour in store.

The money market remains without change—it still being rather stringent.

WINTER WHEAT.—The Watertown *Democ.* at says:—"Strong fears are entertained that the present weather will be very injurious to the winter wheat in this vicinity. There has been but a thin covering of snow to protect it from intense cold. The surface of the ground is perfectly dry, though the frost, below three or four inches, still makes the earth hard as adamant. If we do not soon have rain, the seed now in the ground may be much damaged, if not completely destroyed."

The fruit trees in the Eastern States, according to the newspapers, are not so much injured by the cold weather, as was at first supposed. New Jersey will furnish her usual crop of peaches, &c., and we do not apprehend any very great scarcity of any particular kind of fruit, for the next year.

The receipts of produce by Railroad for the past week were as follows:

Wheat, bus	35,974	Corn	1,172
Barley, bus	1,567	Rye	224
Hogs	82	Flour, bbls	689

JEFFERSON.—The Jefferson Co., *Republican* says:

Large piles of lumber, stone, and other material for building purposes, meet the eye on every side. The prospect of a speedy completion of two Railroads to this place, has given a new impetus to buisness. More, and better buildings will be erected here the coming season, than for years past. Property is changing hands, strangers are settling among us, and taking altogether our place exhibits that character so peculiar to western villages—'go aheadativeness.' Good opportunities are offered for mechanics and tradesmen of all sort.

☞The Portsmouth (Ohio) *Daily Herald*, one of the papers there which hoisted the Fillmore flag, has died out for want of support.

—A giant negro, worth $1,500, was shot dead in the cars, near Charleston, S. C., the other day, by the accidental discharge of a pistol, which his drunken driver was playfully pointing at him.

UNITED STATES MAGAZINE, for March, is upon our table As usual, it is replete with interesting articles, embracing history, politics, mechanics, and fiction. It is published by J. M Emerson & Co., New York, at the low price of $1.00 per year. Subscribe for it.

CIRCUIT JUDGE.—The Beloit *Journal* suggests the name of J. M. KEEP, Esq., of that place, as a suitable candidate for Judge of that circuit.

BELOIT COLLEGE.—President Chapin, has raised five thousand dollars, at Rockford, for Beloit College; and it is thought the subscription will ultimately be made up to $10,000.

BUSINESS.—The Beloit *Journal* speaks very encouragingly of the business prospects of that place for the coming season.

SAD ACCIDENT.—Thomas Simons, an industrious and respected young man, residing near this City, was killed last Fridry by a tree falling and crushing him under it. He had chopped it down, but it fell in a direction contrary to what he expected, and in endeavoring to run he fell down, and the tree fell across his hips. He lived in great agony several hours afterwards.—*Portage City Independent.*

☞We learn that a little boy, named Perkins about eight years old, residing in the town of Concord, in this County, was dreadfully injured in the face by a kick he received from a horse on Saturday morning last. Our informant tells us that his life is despaired of.—*Jefferson Jeffersonian.*

HEAVY SALE OF MILL PROPERTY.—The Messrs. Jones & Co., of this place, have just completed the sale of their Mill property, at Oconto, consisting of one steam and one water mill, and about 7,000 acres of pine lands, for the handsome sum of $90,000. Simon Mandlebeaum and Wm. Brewster, of Detroit are the purchasers.—This is the heaviest sale that we have recorded, in Northern Wisconsin for many years, and we think it will prove an advantageous one to both parties.—*Green Bay Advocate.*

☞St. Patrick's Day was observed in Beloit.

MONDAY.....MARCH 24.

The Newhall House.

The Chicago *Press*, of Saturday, says it has been, at the office of W. H. Boyington, architect, the completed plans and specifications for the magnificent hotel to be erected in this city, by Daniel Newhall, Esq., to be called the Newhall House.

The Newhall House is contracted at a cost of little over $135,000, but it is probable that by the time it is completed the total cost will fall little, if any, short of $150,000. It is located at the northwest corner of Main and Michigan streets and is 180 feet on Main streets, by 120 feet on Michigan, enclosing a square court in the center of the building, 80 feet by 28, giving light and air to all the back apartments. It is six stories above the basement having an elevation of 60 feet, with an observatory of fine appearance upon the top. There are eight stores on the first floor on Main street with cellars, and five half basement stores on Michigan street. The front are Milwaukee pressed brick with iron dressings, and the first story fronts are all iron. The architecture is Italian.

The main entrance to the hotel is 25 feet wide in the centre of the Main street front, and has a projection of 8 feet, and is designed with fine effect. A flight of stairs 12 feet wide, in the centre of the entrance, ascends to the main floor of the hotel, leaving a passage each side of the stairs to the bar-room, 22 feet by 60, and to the barber and billiard rooms. On the ground floor are also water closets, 16 bath rooms, 14 servant's lodging rooms, a servants dining room, and a pastry and baking room.

The main hall of the hotel is 22 by 138 feet. The public office is directly in front of the stairs from the entrance. There are on this floor a gentlemen's parlor, 55 feet by 23:6, a gentlemen's reception room 17 by 23, and a ladies' reception room 17 by 23, and a ladies' parlor 17 feet by 20, two suites of parlors with bedrooms, a private dining room 10 feet by 28, communicating by folding doors with the main dining room 40 feet by 90, a private servant's dining room 20 feet by 18, the main kitchen 31 by 38, ladies' baths and closets, a coat room, &c., &c. On this floor the hall runs out over the entrance in front, into the projection, which is cased in glass.

The third story is reached by two large stairways, and in both the third and fourth stories the front range of rooms on both streets is finished into parlors and bedrooms. The other rooms are lodging rooms of various sizes, but all commodious and well ventilated and lighted. The smallest lodging room in the house is 14 feet by 9½, and but few so small as that.—There are 276 lodging rooms, and the hotel will accommodate easily 400 guests. Messrs. Martin & Rugen have taken the whole contract.

COMMON CCUNCIL.

The Common Council held a meeting on Saturday evening, and transacted considerable business.

D. Newhall was granted the privilege of standing the pillars of the hotel front entrance, six feet on the walk; also to change the grade on Main street; also to construct a sewer from the Hotel to the river; also to exempt the property from taxation for the years 1856 and '57, provided it is completed within eighteen months.

A petition was received, from Engine Cos., No. 2, 5 and 6, asking that a new election be granted, for the election of officers of the fire department, in consideration of the partial manner in which the Chief Engineer conducted the late election. Referred to a special committee, consisting of Harrison, Mallory and Mitchell.

Peter Young, constable, applied for half the reward ($500) offered by Mayor Kilbourn, for detection and arrest of incendiaries, he (Young) and John Ryan having arrested Jones, just convicted and sent to State Prison for arson.

The report of the City Treasurer, was received, stating that there was now in the treasury $38,900.

A bond was received from President of Milwaukee & Watertown R. R. Company, for faithful application of City Bonds issued to said Co., approved and filed.

The plans and specifications for the new Oneida St. bridge, were accepted, and the Clerk was directed to advertise for proposals for building the same, in conformity with plans and estimates at his office. Adjourned.

LECTURE.—The Rev. Geo. H. Gould will lecture before the Young Men's Christian Association, at Young's Hall, this evening, at 8 o'clock. His subject is "Transcendental Property." It will be remembered that this gentleman delivered this lecture before the Young Men's Association last month, and it was pronounced by all who heard it, one of the finest and best lectures of the season. Mr. Gould is a fine speaker, a sound thinker, and a man of progressive principles. All who hear his lecture, will feel amply repaid for their time, and will listen to something that will both instruct and benefit them. Beside, the Young Men's Christian Association, under whose auspices Mr. Gould lectures, is worthy of encouragement, and therefore we hope to see a full house.

SCHOOL EXHIBITION.—The pupils of the First Ward School give an Exhibition at Young's Hall, to-morrow evening. It promises to be an interesting one, and we hope to see a good attendance of all who are interested in the moral and educational instruction and advancement of youth.

☞ The Seventh Annual Festival of the Hibernian Society will be held at Young's Hall, on Thursday evening next, 27th inst.

ST. JAMES' CHURCH.—The following gentlemen were elected wardens and vestrymen, for the following year, at St. James' Church today.

Wardens—Dr. Selby, Cicero Comstock.

Vestrymen—James Kneeland, Alexander Mitchell, I. A. Lapham, N. B. Caswell, J. H. Hoes.

Delegates to the diocesan Convention—Mr. Deo, Dr. Selby.

POLICE COURT.—The following cases were disposed of, this forenoon:

Timothy Cannary, intoxicated, disorderly, and resisting officers, fined $10 and costs.

Anthony Williams, disorderly and breaking windows, fined $15.

Patrick Doyle, disorderly and fighting, fined $10; Catherine Shesbert, charged with stealing a gold pen, discharged for want of prosecution; Anton Kupper, for whipping his wife, sent to jail for 30 days.

NEW STEAM MILL.—A steam saw-mill is now in process of erection at Hale's Corners, in this county, to be completed during the summer. The proprietors are Messrs. JNO. C. CROUNSE and JOHN SHIELDS. The engine is to be of 30-horse power, and will propel an upright saw. The location is an excellent one, as such a mill has long been needed in that vicinity. The enterprise will, no doubt, prove a profitable one, and the gentlemen who have taken the matter in hand will prosecute it to a speedy completion.

SUPERINTENDENT OF M. & W. R. R.—O. F. Blount, Esq., has received the appointment of Superintendent of the Milwaukee and Watertown Railroad.

—A Whittemore & Co., Milwaukee, will please receive our thanks for the trade list of prices sent us the other day; and we cannot let the opportunity pass without recommending those of our readers in want of books and stationery, to patronize the above firm, when they go to Milwaukee. Their house is well known throughout the State, and from our own knowledge of the gentlemen, we know they are worthy of being well patronized.—*Jefferson Jeffersonian.*

SPIRITUAL MUTTON.—Old father Richard, a most excellent and benevolent Catholic priest, who came to Detroit about the year 1795, and died here in 1834, though an excellent scholar, and a fine linguist, had a hard time in acquiring English familiarity. He preached one day from the text, "I am your shepherd—yes my dear hearers," said he, "what was true of the blessed Savior while upon earth, it is true of every faithful pastor, now—I am your shepherd' and you are my mutton" Great sensation.

☞ Five thousand clergymen are subscribers to the N. Y. *Independent.*

☞ There were 434 deaths in New York City last week.

THOUGHTS TO THINK ABOUT.—Our very manner is a thing of importance. A kind *no* is often more agreeable than a rough *yes*.

All is but lip wisdom that wants experience,

Time is like a verb, that can only be of use in the present tense.

STATE OF WISCONSIN, MILWAUKEE COUNTY COURT, } ss

In Probate,

In the matter of the final settlement of the Estate of FRANKLIN P. BRIGGS, deceased.

On this 17th day of March, 1856, upon reading and filing the application of David Morgan and Levi B. Potter, Administrators of the Estate of Franklin P. Briggs, deceased, praying for a final settlement of their accounts as such Administrators, and that a day might be fixed upon, which to bring in their final accounts, it is ordered, that said application be heard before me, at my office, in the City of Milwaukee, on the 11th day of April, 1856, at ten o'clock A. M., and it is further ordered, that notice of said application and hearing be given to all persons interested, by publication of a copy of this order for three successive weeks, once in each week, in the Free Democrat, a newspaper printed in said city, prior to said hearing. CHAS. E. JENKINS,

Crowds of Admirers Visit

FOWLER & HORN'S

GALLERY!

NO. 221½ East Water Street, Empire Block, to examine their beautiful and finished specimens of Photographs, Ambrotypes and Daguerreotypes.

Mr. Horn is a painter by profession, and invites public attention to his style of painting Photographs. These pictures EXCEL THE FINEST PAINTING UPON IVORY, and while they equal the works of the Masters in their delicacy and richness of coloring, far surpass them in exactness of delineation and PERFECT FIDELITY TO FEATURE, expression and nature.

Friends, relatives and lovers may now rejoice in the possession of perfect likenesses, at a price that places them in the reach of all. Our painted Photographs are warranted to be all that is here represented, and we guarantee them to preserve their color without fading, at least as long as paintings on ivory.

Particular attention also paid to Ambrotypes and Daguerreotypes, and *ALL THE IMPROVEMENTS IN THE ART* are applied by us as soon as introduced in the East. feb14

Great Cure After the Physicians Had Failed.

RUSSELVILLE, OHIO, Jan. 10, 1855.

DR. C. M. JACKSON—

DEAR SIR:—"We would inform you that we are out of Hoofland's German Bitters, which meet with ready sale. One of our neighbors has been doctoring for some time, (we think about two years) *with all the doctors in the country, but of no avail.* He looked about as much like a dead man going about, as anything we can compare him to. His disease appeared to be an *overflowing of the gall.* With hard persuasion we prevailed on him to try your Bitters, with the promise to him if it did no good, we would charge him nothing for it, provided he took six bottles, according to the direction, and is now entirely cured, and has become a well man. This cure has created a great sale in this neighborhood. Respectfully,

EDWARDS & BROWN."

NEURALGIA CURED.

READ WHAT Mr. BOYDEN SAYS:—

No medicine ever had certificates from such respectable sources as Carter's Spanish Mixture. Mr. F. Boyden, one of the original proprietors of the Astor House, New York, and for a number of years of the Exchange Hotel, Va., was cured of a severe attack of Neuralgia, by Carter's Spanish Mixture. The rapid and perfect cure effected in his case by this valuable medicine, arrested his attention and excited his interest; he recommended it to others afflicted with a variety of diseases, and in every instance a cure was effected. He has seen it cure Ague and Fever, Rheumatism, Liver Complaint, Dyspepsia, Fevers, Violent Coughs, and cases which were said to be confirmed Consumption, and nearly every other disease for which it is used. He remarks it is difficult to know what disease it will not relieve or cure, and as a Blood Purifier, and Spring and Fall medicine, he had never seen its equal. He cheerfully recommends it on all occasions, and believes it to be most valuable remedy extant.

THE OPINION OF A LADY,
Who knows Mr. WEVER, and has bought Goods at
WEVER'S
DRY GOODS PALACE ! !
—AND—
CARPET ROOMS !
158 East Water Street.

COME to the *Palace*, oh, come there with me,
Where Fashion, fraid splendor, still holds her fevee.
And somebody tells you that Beauty is sold
To Youth or to Age, in exchange for gold;
And their Lady-like charms through life may prolong,
In robes like a Queen's, which well for a song.
They've Shawls for the taste, and Shawls for the storm,
They've Cloaks which full softly, so rich, and so warm;
They've Carpets of Wilton, of Velvet, and Brussels;
They've Laces, and Broideries, Ribbons, and Tassels;
They've so ahre-haed Goods for the weeping and sad
They've suits like the sunshine, for merry and glad;
They've fabrics for millions, and hold their levee
For those who pay tribute, or come but to see,
If Palace of Dry Goods, so wondrous grand,
Can be aught but a fable, of old Fairyland;
But those who Know WEVER, can't doubt for a minute
This glorious Palace, and all that is in it
Yours, C. H. G.

Now I blush, indeed I do. What modest, married man would not? Yet I console myself with the idea that Beauty always pays tribute to Worth and Merit. Thanking sincerely yet humbly my fair contributor, I trust that by honesty, uprightness and my gentlemanly bearing, I may ever command her respect.

THE OLD EAGLE GOING IT WITH A RUSH

The Eagle
STEAM FOUNDRY
OF
TURTON & SERCOMB,
296, 298, 300, 302 and 304, West Water Street

IS still in full blast, working day and night to supply the daily increasing wants of the Badger and other States.

In order the better to do this the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing Machine or Shaping Machine, three Lathes, and a machine for making bolts, and are now putting in a Steam Engine of — horse power to drive the whole, thereby adding to their former facilities for the successful carrying on of the Foundry, Machine, Engine, and Blacksmithing business. They never were in a better position for doing business, and defy competion in any department.

In regard to the character of the work got up by this, *The Oldest Establishment in the State,* the Proprietors refer to that in successful operation thro' the country as their best recommendation, as it can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man. They continue to manufacture **Flour and Saw Mill Gearing and Steam Engines,** on the most approved principle.

They have always on hand a large stock of BRASS WORK, such as *Gauge and Cylinder Cocks, Oil Cups & Cocks, and Steam Whistles.* Also *Turton's Files,* which they will sell at the lowest cash prices.

They are also Agents for *Eastman's Patent Steam Gauges,* which are well worth the attention of all who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

Their motto is, "*Excelsior.*"

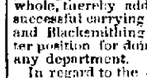
CHARLES PREUSSER,



TAKES PLEASURE IN ANnouncing to his friends and customers, and the Public generally, that he has removed to his new and elegant store, built by him expressly for his rapidly increasing business, on the corner of East Water and Mason streets, opposite the Walker House and Post Office, where he is receiving almost daily additions to his large stock of
